5th February 2021

Dear Parents/Carers

School updates

Cases in School

It was lovely to welcome our Year 3 and 4 children back to school today. Year 5 and 6 will be back in school on Monday. All our staff who tested positive are doing well.

Feel Good February

Oldham Sports Development are encouraging us to stay active during lockdown by completing one activity each day, throughout February, and recording it on the calendar. Please see the additional attachment.

Super work

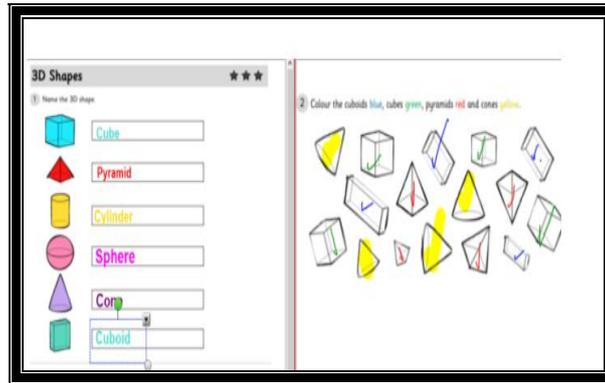

Reception

Congratulations to Hannah Eglin for her fantastic work learning about the Polar region. Miss Harber is very proud of Hannah's super work. Well done Hannah.

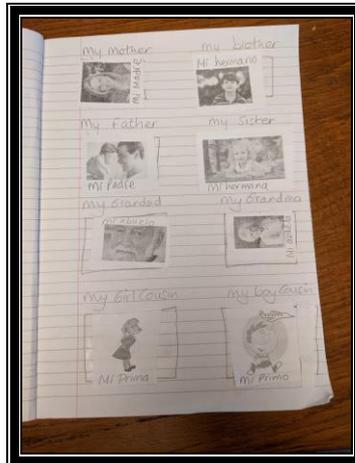

Year 1

Fantastic work from Neve Bell this week. Miss Begum is very impressed with the standard of her work. Well done Neve, you are a superstar.

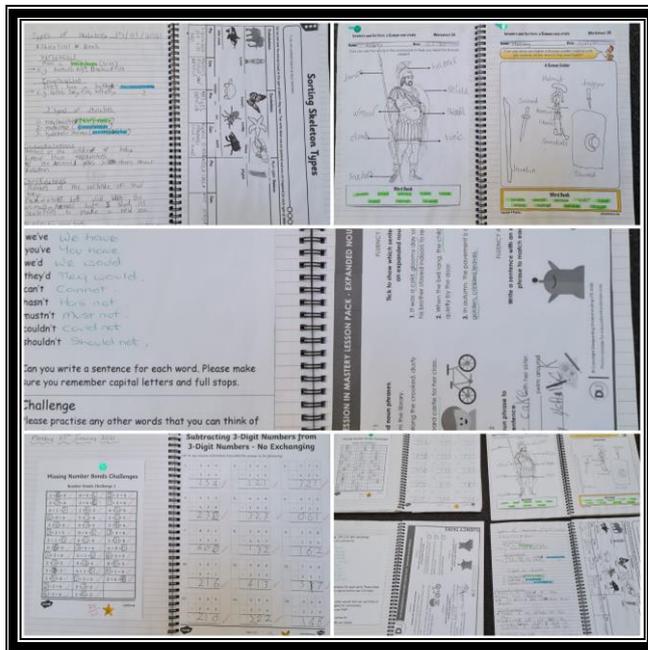

Year 2

Fantastic Spanish work from Joseph Gibson this week. Joseph has worked extremely hard in all aspects of his home learning but this week Miss Taylor was really impressed with his Spanish work. Well done, Joseph.

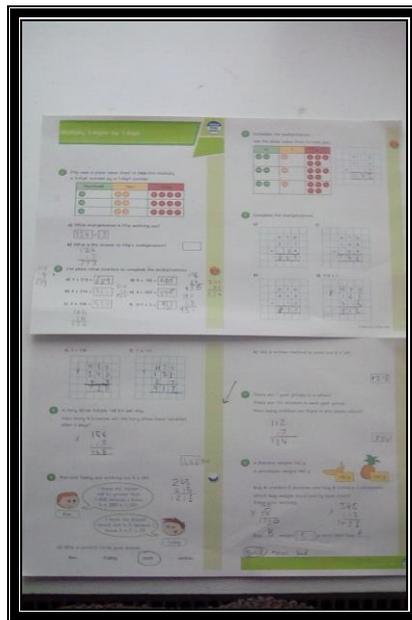

Year 3

Fantastic work from Harvey Bottomley who has worked incredibly hard all through lockdown. Mrs Johnson and Mrs Hodgkin are very impressed with the quality of all his work. Well done Harvey, fabulous.

Year 4

Congratulations to Andrew Clegg who has completed some super maths work this week. Miss Scowcroft is really impressed with the effort Andrew puts into his work. He has even answered all the extra challenge questions! Well done Andrew.

Year 5

Mrs Leach had a huge problem choosing only one child for super work this week. So she has chosen 3!

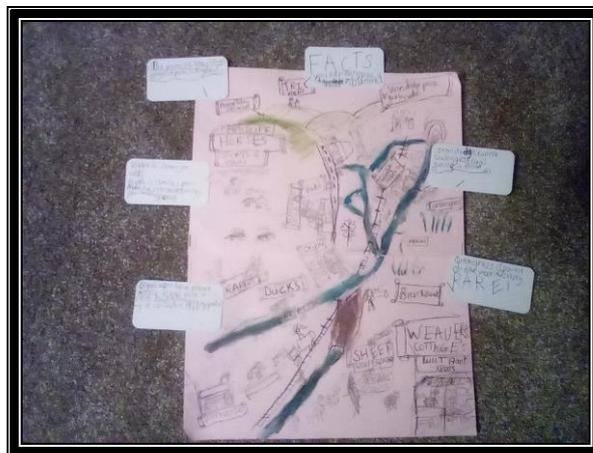

Congratulations to Michael Sheeran for his amazing presentation on his local area. Michael even took us on a walk around Dobcross. Fantastic work Michael, well done.

Fabulous work from Louie Burgess this week. As part of the PSHE lesson this week the children were asked to do something nice for someone else. Louie wrote to a child who has just been diagnosed with diabetes and sent her a care package. What a wonderful thing to do! Well done Louie.

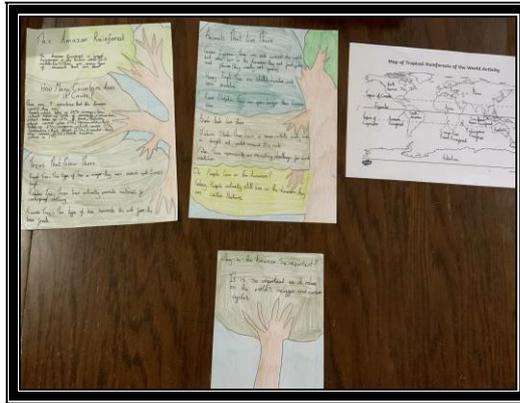

Congratulations to Iris Caveney for her map of the local area. Mrs Leach was very impressed with the detail Iris included. Fantastic work Iris, well done.

Year 6

Huge well done to Ruben Heginbotham for his research on the Amazon Rainforest. Miss Harold was very impressed with the detail in his presentation. Congratulations Ruben, beautiful work.

Have a wonderful weekend.

Miss Travis
